

# KINGA KALISZ

I AM LOOKING FOR MY  
FIRST JOB OR INTERNSHIP  
AS A FRONT-END  
DEVELOPER.

## / ALL ABOUT ME

I am ambitious and always willing to self-development person, whose one of the main hobby is computer science (since primary school, the program Logomocja and websites created in HTML based on tables :)). Since June 2020, I am developing my skills to become a really great Front-end Developer.
